[redacted] It is noted that on 12/21/67 when [redacted] was advised of [redacted] identity and alleged participation in NKKKK activities in Chicago, he stated the following:

He, as well as [redacted] were of the firm opinion that proceedings should be initiated as soon as possible to separate [redacted] and any other police officers who were associated with the NKKKK from the Department. [redacted] advised that action against [redacted] and other police officers was being withheld at this time in an effort to develop additional information concerning police officers' activities in the NKKKK.

[redacted] indicated that both he and [redacted] felt that if the news media released information of klansmen working as Chicago policemen, prior to the PD making the disclosure, it would do irreparable harm to the general racial situation currently existing in Chicago. [redacted] advised that in the event disclosure of klansmen working as Chicago policemen should be made public by the news media

~~CONFIDENTIAL~~

prior to PD exposure, many persons may feel that the Chicago Police Superintendent was not aware of klansmen in his Department, or if aware was not going to do anything about it. According to [redacted] either belief would greatly damage the image of Chicago police officers and serve to corroborate the belief of some individuals that Chicago police officers are not impartial in regard to investigations concerning racial matters.

[redacted] advised on [redacted] that in the event it should appear a "leak" to the news media concerning this matter is imminent, both he and [redacted] would immediately hold a press conference, at which time they would identify known klansmen who are currently police officers.

On 12/22/67, [redacted] upon being apprised of the anonymous calls, indicated a belief that possibly [redacted] could be responsible and was making the calls to the FBI Office in an effort to be able to publicly claim he had furnished klan information to the FBI in the event he should be disciplined or exposed by the Chicago PD for NKKKK activity in Chicago.

On [redacted] indicated the belief that individuals who were at the meeting at which [redacted] solicited NKKKK applications were so concerned that [redacted] might be a "plant" of the Intelligence Division of the Chicago PD, that any one of them could possibly leak information to news media which might result in disclosure of klansmen in the Chicago PD. Source indicated several individuals felt that disclosure of klansmen on the Chicago PD would benefit klan organizations from resulting publicity. Source stated that some klansmen expressed opinion that public exposure of Chicago policemen as klansmen may cause a reaction among Black Militants, which would serve to increase interest in klan activities as well as other right extremist groups.

b2
b6
b7C
b7D

[redacted] as well as [redacted] [redacted] upon being advised of the above information, indicated they were of the firm opinion that the Chicago PD must institute action against [redacted] as well as other NKKKK members who are on the Chicago PD as soon as possible. [redacted] further stated that he, as

well as the [redacted] felt that public disclosure of klansmen on the Chicago PD must be made as soon as possible in order to inform Chicago citizens that the Chicago PD was investigating activities of alleged klansmen on the Chicago PD and to insure them that appropriate action would be taken against any police officers who belong to the NKKKK or any other "hate type group."

~~CONFIDENTIAL~~

An anonymous caller on 12/27/67, advised the Chicago FBI that he had previously furnished Chicago FBI Office with information indicating guns and dynamite were at a certain location on the near north side of Chicago. Anonymous caller advised that he was of the opinion that this information was furnished to him for the sole purpose of exposing any informant in klan activities in his group.

When [redacted] was advised of information from anonymous caller on 12/27/67 concerning possibility of a "leak", he stated that he, as well as [redacted] [redacted] felt that they should take action as soon as possible to make public the fact that the IID of the Chicago PD were aware of [redacted] activities and other police officers in NKKKK matters and all were under investigation by the Department. [redacted] further advised that it was decided a press conference would be held and public disclosure of the IID's investigation relating to klansmen on the Chicago PD would be released to the public.

b6
b7C

On 12/28/67, [redacted] advised that his Department did not desire to make public the identities of police officers [redacted] and [redacted] at that time, inasmuch as IID police officers told them that if they would cooperate and furnish information of klan activities in Chicago, their identities would not be made public by Chicago PD.

On 12/29/67, [redacted] advised that Chicago PD source, [redacted] could furnish information which may constitute a conspiracy against police officers publicly identified as members of the NKKKK under the laws of Illinois, but is not at this time willing to testify or expose his identity.

NATIONAL KNIGHTS OF THE
KU KLUX KLAN (NKKKK)

At approximately 5:00 p.m., December 28, 1967, Chicago PD, [redacted] held a press and television conference, at which time he made the following statement:

For the past several months the Chicago PD has been conducting an investigation into the activities of the KKK in the City of Chicago. As a result of this investigation it has been determined that [redacted]

[redacted] assigned to the 11th District, is the leader of this group. Acting in that capacity, he has recruited five other patrolmen of the Chicago PD into that organization. The other five members are all patrolmen and are currently being questioned in offices in the police building.

[redacted] assigned to the 11th District, has resigned from the PD. We are not at liberty to discuss the names of the other four patrolmen because of the various stages of the investigation. Although it is not a criminal offense to belong to the KKK in the State of Illinois, it is contrary to the rules and regulations of the Chicago PD for one of its members to belong to the organization in question. It is our plan at present to bring charges before the Police Board to discharge any of the members of this organization who do not resign. Through the cooperation of [redacted] a search warrant was prepared. This search warrant was issued by Judge Arthur Dunne and executed this afternoon. A substantial quantity of guns and ammunition was found in the home of [redacted]

During questioning at the press conference, [redacted] he was not in a position at this time to identify the national name of the Klan organization in which these officers were involved.

[redacted] an agency that collects security data in the Chicago area, and who has knowledge of Chicago police officers associated with a klan organization, advised that police [redacted] and other Chicago [initials] police officers accused of belonging to the klan were reportedly associated with a national klan organization by the name of the National Knights of the Ku Klux Klan.

their reported klan activities:

[redacted] stated that the six police officers

[redacted] advised on December 28, 1967 [redacted]

IID concerning his NKKKK activities. [redacted] refused to

Police District Headquarters, Chicago, Illinois.

[redacted] stated that [redacted] and

and advised that suspension would follow. [redacted] explained
that being excused from duty rather than being suspended
would permit IID officers to continue interrogating [redacted]

NATIONAL KNIGHTS OF THE
KU KLUX KLAN (NKKKK)

On January 2, 1968, [redacted] made public the identities of [redacted] and [redacted] as Chicago police officers, who were involved in KKK activities. [redacted] advised news media that [redacted] and [redacted] and four other policemen involved in KKK activities may be charged with violating the law enforcement officer's Code of Ethics signed by all policemen. According to [redacted] the code required that they "respect the rights of all people." [redacted] stated to the press, "The KKK does not respect the rights of people."

On January 2, 1968, [redacted] advised [redacted] and [redacted] are scheduled to face a hearing before the Police Disciplinary Board. According to [redacted] the board has the power to recommend dismissal of the charges, suspension without pay up to 30 days or trial by the five-man civilian Police Board. [redacted] advised [redacted] and [redacted] are excused from duty without pay, pending further action.

On December 29, 1967, and January 2, 1968, Agent [redacted] Alcohol, Tobacco and Tax Unit, United States Treasury Department, Chicago Office, examined guns seized at [redacted] residence and indicated no evidence developed suggesting illegal possession. Agent [redacted] advised that Colt..45 automatic, serial number [redacted] and M-1 Grand 3006, semi-automatic, serial number [redacted], both having been contained on list located at [redacted] residence, are identification for U.S. Government property and no record of these weapons having been released by U.S. Government has been located. [redacted] advised that all guns and weapons seized at [redacted] residence, as well as weapons listed on sheet of paper located at his residence, were checked through the files of the National Crime Information Center at Washington and no information was located relating to any of the weapons or firearms, including weapons located in [redacted] and [redacted] locker.

On December 29, 1967 [redacted]
[redacted] and [redacted] United States Arsenal, Joliet, Illinois, commenced inspection of firearms, ammunition and grenades seized by Chicago PD at [redacted] residence.

NATIONAL KNIGHTS OF THE
KU KLUX KLAN (NKKKK)

[redacted] stated late December 29, 1967, that, based on initial inconclusive examination, he is of the opinion much of the ammunition found at [redacted] residence was at one time United States Government property. [redacted] indicated that additional inspection of ammunition, as well as appropriate record checks, will have to be made before it can be ascertained if any theft of Government property is involved.

On January 3, 1968, [redacted] advised that, based on examinations conducted to date, it would appear certain grenade pins and perhaps grenades, located at [redacted] residence, was stolen United States Government property. [redacted] advised that they are continuing to locate or trace grenades in an effort to determine where theft occurred.

It is noted records of the National Crime Information Center, Washington, D.C., were checked on December 29, 1967, regarding firearms located at [redacted] residence and no identifiable information was located.

b6
b7c

On December 29, 1967, [redacted], Cook County States Attorney's Office, Chicago, Illinois, advised that being a member of the KKK or the NKKKK or any "hate type group" is not illegal in the State of Illinois. [redacted] related that it was his opinion police officers involved in NKKKK activities could not be tried on a criminal charge on the basis of mere membership in the KKK or NKKKK. He advised it would be necessary to obtain evidence indicating an overt act had occurred and that such act was illegal under the laws of Illinois.

On January 5, 1967, Police [redacted] Chicago PD, advised that the Chicago Police Disciplinary Board met on January 5, 1967, and reviewed information relating to police officers [redacted] and [redacted] association with the NKKKK. The Board recommended to Police [redacted] that [redacted] and [redacted] should be separated from the Department. [redacted] advised he accepted

**NATIONAL KNIGHTS OF THE

the Board's recommendation and [redacted] and [redacted] were separated from the Chicago PD as of midnight, January 5, 1967. [redacted] stated that this action is subject to review by the Chicago Corporation Counsel and the Civilian Police Board.

"Chicago American" newspaper article, January 4, 1968, stated the following:

Donald R. Heath, who claims to be Grand Dragon of the NKKKK in Illinois and who is one of six Chicago policemen accused of being Klan member stated he wants to discuss with Elijah Muhammad, head of Black Muslims, what can be done to avoid or prevent any kind of racial violence. Newspaper article indicated possibility of James Conlisk, Superintendent, Chicago PD, attending conference between Heath and Elijah Muhammad.

[redacted] who has furnished reliable information in the past, advised January 5, 1968, Nation of Islam (NOI) officials, including [redacted] a National leader, NOI, had not heard of [redacted] proposal. [redacted] stated if [redacted] should make such proposal NOI leaders would never consider it or meet with him.

[redacted], Chicago PD, stated January 5, 1968, that he would not meet with Elijah Muhammad or [redacted] at a proposed conference. [redacted] advised he knew nothing of the proposal other than newspaper article.

A characterization of the NOI is attached to this communication.

6 Policemen Found To Be Members Of Ku Klux Klan

By Art Petacque

Six Chicago policemen have been found to be members of the Ku Klux Klan, it was disclosed Thursday. A six-foot cross—often used as a fiery symbol of klan terrorism—was found in the home of one of the six.

Police Supt. James B. Conlisk Jr. announced that action is being taken to dismiss the six from the force. Earlier, The Sun-Times exclusively disclosed their affiliation with the racist organization.

Conlisk said a months-long investigation by the police department of klan activities in Chicago pinpointed the klan connections of the police.

Patrolman Donald Heath of the predominantly-Negro Fillmore District was termed by Conlisk to be a leader in Chicago klan activities.

Conlisk said Heath, 30, of 2955 N. Lawndale, recruited the other five policemen into the hate group.

Two others named as klan members were Fillmore District Patrolman Richard Stanton, 33, of 2520 W. 69th St.

and Austin District Patrolman Dennis Aloia, 25, of 4940 W. Concord.

The others were not identified immediately, pending completion of questioning of them at police headquarters.

Conlisk said Stanton resigned from the force rather than submit to questioning on his klan activities.

Police Internal Inspections Division Director Raymond Clark said that Aloia, who

-15-

joined the force three years ago, also resigned.

The six-foot cross — of a plastic material that made it reusable for repeated burnings—was found in Heath's home, according to Conlisk.

The Klan long has burned crosses to terrorize Negroes.

Also found in Heath's home were a number of semi-automatic weapons, copies of hate literature and Klan pamphlets, according to Deputy Police Supt. John Mulchrone.

The confiscated material, displayed in the 12th-floor office of the IID, included an estimated 200,000 rounds of ammunition, including some of the armor-piercing variety; seven live hand grenades, which were later disarmed; a .45-caliber "grease gun" and several other rifles and pistols, and a gas mask.

Clark said the policemen had been measured for Klan robes but had not yet received them.

"I am shocked that members of the Chicago Police Department belong to a hate group," said Conlisk in announcing the findings of the department's investigators.

Conlisk noted that Klan membership does not violate a state law. But, he added, it is "contrary to the rules and regulations of the Chicago Police Department."

Conlisk said the four men who had not resigned would be taken before the Police Board for dismissal action.

He said the investigation is continuing to determine if other policemen belong to the Klan.

Clark said that thus far the investigation indicated Klan membership was "not widespread."

It was learned that the state's attorney's office entered the investigation of the police Klan activities after being informed that possible criminal activities were involved

Negroes, Roman Catholics and Jews have been the main targets of Klan violence through the years.

The House Committee on Un-American Activities, summarizing two years of hearings on Klan activities, said earlier this month that the organization remains "a vehicle of death, destruction and fear" in the nation.

HUAC estimated the Klan's national membership at 17,000 in 18 states.

However, the Anti-Defamation League of B'nai B'rith in October estimated the Klan's membership at 55,000 in the South alone.

The Klan has been largely dormant in the Chicago area since the 1920s.

Kenneth T. Jackson, in a doctoral thesis prepared at the University of Chicago, reported evidence that the Klan marshaled more than 50,000 members in the Chicago area in the early 1920s, a time of tension over integrated housing.

Conlisk, it is known, is deeply concerned about the image of white Chicago policemen in the eyes of the city's Negro population.

In an exclusive Sun-Times interview on Dec. 10, Conlisk told of his hopes of recruiting men "who will be more sensitive to the social problems in law enforcement."

He cited a stepped-up police human relations training program as part of an effort to maintain racial peace in Chicago.

In the same interview, Conlisk vowed a new accent on "aggressive investigation" to ferret out police wrongdoing.

The launching of the state attorney's Klan activities was an apparent outgrowth of that program.

It appeared also that a new and closer relationship with the Federal Bureau of Investigation under Conlisk's regime figured in the Klan case.

Because of the Klan's history of violence, the FBI maintains surveillance over activities of its white-hooded members.

Joseph J. Le Fevour, president of the Fraternal Order of Police, Chicago Lodge No. 7, said he found it "hard to believe that any Chicago police officers could be so stupid and irrational as to belong to the Ku Klux Klan."

Le Fevour said the "ideals of professional law enforcement officers are diametrically opposed" to the "totally un-American conduct" that characterizes the Klan.

"Officers of this type," Le Fevour added, "are certainly not representative of the Chicago Police Department."

OFFICIALS LAUD MOVE AGAINST COP KLAN CELL

BY PETER NEGRONIDA

Police Supt. James B. Conlisk's decision to take action against Chicago policemen who belong to the Ku Klux Klan drew backing last night from officials of police organizations.

"I find it hard to believe that any Chicago police officer could be so stupid and irrational as to belong to the Ku Klux Klan," said Joseph J. LeFevour, president of the Chicago lodge of the Fraternal Order of Police.

"The ideals of professional law enforcement officers are diametrically opposed to the prejudice, the hate mongering, and the totally un-American conduct that characterizes the Klan."

Carey Denounces Klan

Frank T. Carey, president of the Chicago Patrolmen's association, was equally strong in his denunciation of Klan membership among policemen.

"I don't think any man with hate or malice in his heart should be a public official—especially one who has the responsibility of protecting all our citizens," he said.

He pointed out that there have been rumors of other policemen belonging to Black Muslim groups, and he suggested such officers would be equally unfit for positions of public trust.

No Opposition

Carey emphasized that none of the three patrolmen named yesterday as being Klansmen are members of the patrolmen's association.

Theophilus M. Mann, a mem-

ber of the Chicago police board, expressed approval of Conlisk's action, and added that it was natural "since I'm a Negro and have no use for the Klan."

He doubted that any of the policemen involved would be brought before the police board, but said he would consider disqualifying himself from participation in such a case because of his race.

Fred E. Inbau, professor of criminal law at Northwestern university, said it was "deplorable for policemen to belong to the Klan."

Must Be Neutral

"The responsibility of all police officers is neutrality," said Inbau, former director of the Chicago police crime laboratory. "Any officer who is engaged in any extremist activity has disqualified himself from being a policeman."

Inbau said it was ridiculous for the Klan to drape itself in a mantle of patriotism. "A Klan officer is as bad as a communist officer," he said.

Yesterday's disclosures echoed a similar furor over Klan membership among city employees in 1922 and 1923.

Two firemen were tried before a civil service board on charges of "conduct unbefitting members of the Chicago fire department" for their membership in the Klan. It was alleged that their oaths as Klansmen conflicted with their oaths as city employees.

Nurse is Questioned

At about the same time, a nurse at the municipal tuberculosis sanitarium was haled before a civil service board for "actions . . . detrimental to the public service." She was charged with speaking "in warm praise" of the K. K. K.

Chicago's "Klan scare" came during the period of the greatest influence of "the invisible empire of the south," as the

Ku Klux Klan was then known. The Klan was formed in 1865 by six young Confederate army veterans in Pulaski, Tenn., as a social group. The idea of wearing white hoods spread thru the defeated south, tho, and two years later the "invisible empire" was officially constituted in Nashville, Tenn., as a means of opposing northern "carpetbaggers" and newly-freed slaves.

Increasing violence led the Klan's first grand wizard to order it disbanded in 1869, and a federal government crackdown over the next few years led to virtual dissolution of the group.

Klan activity continued sporadically until World War I, when it was reconstituted near Atlanta in 1915 with anti-Catholic and anti-Jewish bias added to its original anti-Negro basis.

The 1920s saw Klan activity reach its most violent level, with torchlight parades, and lynchings keeping the group in headlines across the country.

Burns, Berry Shocked

Cops' Klan Jars Rights Leaders

"I would be shocked to hear that six people in Chicago were members of the Ku Klux Klan, not to mention six policemen."

That's how John E. Burns, director of the Commission on Human Relations responded to revelations that a Klan chapter was being organized among policemen.

"It is very hard to screen out persons who have anti-Negro leanings in hiring 11,000 policemen," Burns said. "But it is startling to learn that six policemen could have leanings or inbred prejudices so deep that they would turn to an organization like the klan."

"Very Disturbing": Berry

Edwin Berry, executive director of the Chicago Urban league, said:

"The fact that something like this could happen in Chicago is very disturbing. How can we cast aside charges of police brutality when a victim may have been roughed up by a klansman?"

"Unfortunately, a discovery like this casts doubts in everyone's mind about the department."

Berry praised Supt. James B. Conlisk for taking immediate action in suspending the six policemen accused of being klansmen.

"If persons from black violence oriented groups have similarly infiltrated the police department, they, too should be routed. A policeman, regardless of his race, must be beyond reproach," Berry said.

"Hard to Believe"

Joseph J. Le Fevour, president of the Fraternal Order of Police, lodge 7, said:

"I find it hard to believe that any Chicago police officers could be so stupid and irra-

tional as to belong to the Ku Klux Klan.

"The ideals of professional law enforcement officers are diametrically opposed to the prejudice, the hate mongering, and the totally un-American conduct that characterizes the Ku Klux Klan.

"Officers of this type are not representative of the police department."

Frank T. Carey, president of the Chicago Patrolmen's association, said the six suspected policemen were not members of the association.

2 Quit, 4 Face Charges

Should any of the six find themselves before the police civilian board, Theophilus M. Mann, a Negro member, may disqualify himself from the hearings.

"Since I am a Negro, I have no use for the klan," Mann said. He said he doubts that the case will reach the board and expects all the six to resign.

Thus far, two of the six accused klansmen have resigned. Conlisk said that if the others do not follow, they will be charged with conduct unbecoming an officer.

'We'll fire them'

Hate peddlers must go--Daley

By Jay McMullen

Mayor Richard J. Daley vowed Friday to fire any city employee who belongs to "organizations that preach hatred and persecution," including the Ku Klux Klan and the Black Muslims.

"I don't think there's a place in city government in any capacity for anyone who belongs to any such organization," he said.

"They don't belong in city government — or any government. If we have any information about them, they will not remain in the employment of the City of Chicago."

The mayor, at his morning press conference, made the promise after disclosures that at least six Chicago policemen are members of the Ku Klux Klan.

DALEY said various racist organizations have been mentioned as having city employees on membership rolls, including the Black Muslims, a Negro religious separatist movement.

"And those organizations will be investigated," Daley said. "We would like to see the City of Chicago be a city of love and friendship."

Along with klansmen, he said, "Black Muslims shouldn't be in the police department."

SWIFT action by the police department in exposing klan members in its ranks and dismissing them drew favorable comment from many persons involved in race relations in the city—including the director of the Commission on Human Relations.

James Burns, director of the Human Relations Commission, said:

"The action that the police department and Supt. (James B.) Conlisk are taking on this shows they are concerned and that they want to weed these guys out.

"This should better the opinion of some members of minority groups toward the police department.

"I would think the Negro public would believe now that the police department doesn't want anybody like this as part of its staff."

THE REV. ARTHUR Brazier, president of The Woodlawn Organization on the South Side, seconded Burns' reaction:

"I would think that the swift action to remove this kind of policeman gives evidence that the police department will not tolerate this kind of activity.

"Supt. Conlisk did a very wise thing when he exposed the Klan operations—and we commend him on this."

Edward McClellan, executive director of the Chicago Chapter, National Assn. for the Advancement of Colored People, said he "wasn't surprised klansmen were found in such a large organization as the police department."

"What is surprising is that Supt. Conlisk exposed them and took such swift action against them. It is encouraging."

ALD. A. A. (SAMMY) Rayner (6th), who has been sharply critical in the past of police attitude toward Negroes, said police-community relations in

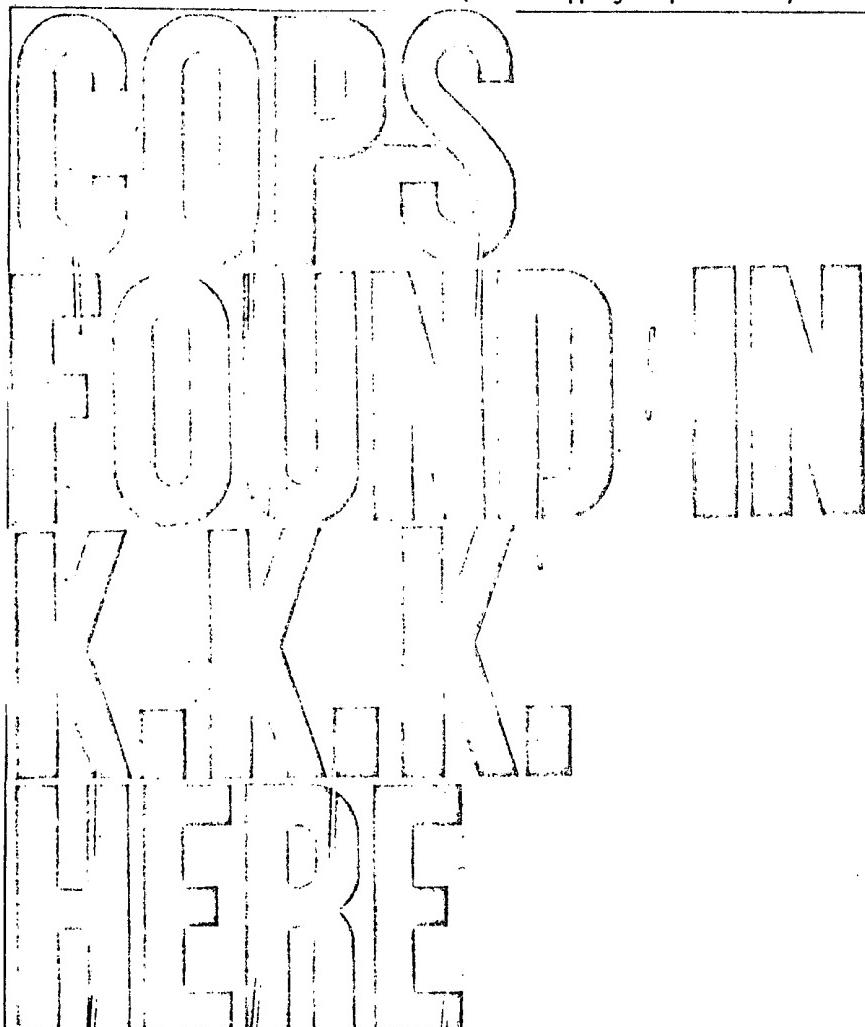

the ghetto have been improving recently.

The alderman, a Negro, praised Conlisk for "leaning over backward trying to improve relationships—but he can't control every policeman and there are still some brutes."

"The fact that officials themselves brought it to light is very important," Rayner said. "It shows that they are trying."

NOT ALL PERSONS involved in race relations here thought the disclosures will ease tension between and whites.

SIX LINKED TO CELL;

SEIZE GUNS IN RAID

Conlisk Discloses

3-Month Probe
of Group

The existence within the Chicago police department of a Ku Klux Klan cell equipped with guns, hand grenades, and 200,000 rounds of ammunition was disclosed yesterday by Police

Sept. James B. Conlisk.

Conlisk told a press confer-

ence, he was shocked by the news at police headquarters, members of the police bureau of inspectional services under Capt. John Mulchrone raided Heath's home in the Logan Square area and seized arms, ammunition, and hate literature.

He identified the "organizer and ringleader" of the cell, "the playing stage" as Donald Heath, 30, of 2055 N. Lauderdale av., a policeman since Feb. 13, 1961.

Home is Raided As Conlisk met with report-

The weapons included one submachine gun, four automatic rifles, four pistols, 200,000 rounds of small arms ammunition, seven hand grenades, and six knives, plus one gas mask.

Also seized were an American flag, a Confederate flag, thousands of leaflets relating to the Ku Klux Klan and applications listing a headquarters in Georgia, a seven-foot plastic cross, and white sheets of the klan.

The raid on Heath's home was conducted with a search warrant obtained from Circuit Judge Arthur J. Dunne at the request of State's Atty. John J. Stamos.

Three-Month Probe

Conlisk said Stamos' office had worked closely with police during the three-month investigation of the cell. Both officials said the inquiry is continuing.

Heath and the five other policemen were summoned to

at dismissal of Heath and the three other patrolmen would be filed with the police review board. He declined to identify the three others.

Conlisk said his evidence indicated that Heath, "in his capacity as leader of the group" recruited Stanton, Aloia, and the others into a klan unit entitled the Invisible Empire of the National Knights of the Ku Klux Klan Association of America, with headquarters in Tucker, Ga.

Prosecution Is Possible

Conlisk said he had conferred with Stamos on possible criminal prosecution of the six, but was advised "that it is not a criminal offense to belong to the K. K. K. in this state, although it is contrary to rules and regulations of the Chicago police department."

However, he did not discount the possibility of prosecution in connection with the seizure of weapons and the hand grenades, and indicated that federal authorities would investigate this aspect.

Questioned by reporters, Conlisk said it appeared that the guns and bombs had not been stolen. He said he did not know if other policemen might be involved at this time, and did not know where the six had met to conduct K. K. K. business.

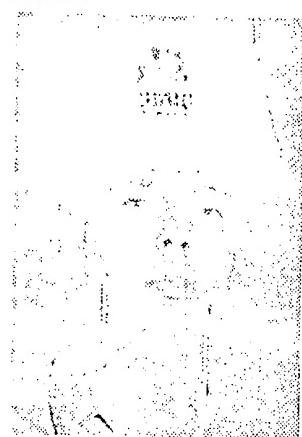

Vows Hate Group Probes

"What we do know," Conlisk said, "is that this department intends to maintain its image and integrity and will actively investigate any report of policemen associated with hate groups."

They were identified as Richard Simms, 33, of 2720 W. 2d pl., assigned with Heath to the predominantly Negro Fillmore district on the west side, and Dennis Aloia, 25, assigned to the Austin district. Stanton joined the department last Jan. 9; Aloia on March 5, 1955.

Conlisk said charges aimed

An indication of Heath's involvement, it was further learned, came when investigators noted in amazement the letters K. K. K. painted in white on the trunk of an automobile he was seen driving to and from his beat in the Fillmore district.

Donald Heath

Aloia [left] and Stanton

It was learned that police of the internal security unit began to have knowledge of the Klan after hearing of police involvement in it from police field commanders on the west side. Capt. George Sims, commander of the Fillmore district, confirmed that he was aware of the investigation and assisted Mulchrone's men.

The KKK—A Cancer Exposed

The Ku Klux Klan is no stranger to Chicago. In 1921, the hooded organization staged a major organizing drive in Chicago and Cook County, recruiting "lower-middle-class" workers, small businessmen and laborers to resist what the KKK called the political pressures of Chicago's Roman Catholics and to discourage the migration of Negroes to Chicago from the South. Although some historians place KKK strength in Chicago as high as 80,000 in the early 1920s, the Klan's influence died out within three years.

To find the KKK alive again, and active in the Chicago Police Department, is shocking. As Joseph J. Le Fevour, president of the Fraternal Order of Police, Lodge 7, said, "The ideals of professional law-enforcement officers are diametrically opposed to the prejudice, the hate-mongering and the totally un-American conduct that characterizes the Ku Klux Klan."

The KKK, born in Tennessee out of the turmoil of the Civil War, has a long and documented record of terrorism. It poses as an ultra-patriotic organization. It is a subversive, fascist group that has focused its hatred and terrorist tactics on minority religious and ethnic groups. Infiltrating the po-

lice department of any city where the potential of racial strife exists could be counted a considerable coup for the KKK. Wearing a police uniform and using the image of justice, a KKK member could wreak havoc with attempts to keep peace in explosive situations.

Police Supt. James B. Conlisk Jr. deserves credit for making the discovery of the KKK cell in his department public, distasteful and embarrassing as it must be. His decision to do so should give the public even greater confidence in him and in Chicago's police force, which faces great odds in combating crime and violence and an even greater challenge in keeping the peace in a city beset with its share of difficulties. The boast by Klan leaders that it would take a "computer" to count all the KKK members in the Chicago Police Department is, we are certain, wholly as wrong as the Klan's beliefs. That claim should be exploded by a thorough, continuing investigation. Other cities, where the Klan also boasts it has members among the police force, would do well to follow Chicago's example of rooting out the Klan and making the whole distasteful process public.

Disinfecting the Police

THE REVELATION THAT at least six Chicago policemen are members of the Ku Klux Klan is sickening in itself. A further sorry aspect of it is that attention and effort must now be diverted from fighting crime to disinfecting the police force—and just at a time when a major campaign against crime and violence was shaping up. But it has to be done; any association whatever between police and this rotten organization will taint the whole force and weaken trust in it, and only a thorogoing investigation and cleanup will help.

We are encouraged by the prompt and determined way police and city officials have acted on this information. Police Supt. James B. Conlisk Jr. immediately disclosed the facts and took action to get rid of the policemen named as klan members; Mayor Daley promptly announced that any city employe found to be a member of a hate group would be fired, and called on anyone with information about such employes to pass it on to his office.

Getting klan members off the force is, of course, step one. People of this stripe should be kept as far away as possible from guns, clubs, or any other means of enforcing their mental kinks; no doubt it's impossible to prevent them from getting hold of such things, but they must certainly be yanked out of any position where public money supplies them with weapons and authority.

Beyond that, the police internal investigations unit will have to find out for certain how far this subversion of the police force has been carried. Patrolman Donald Heath, identified as a "dragon" of Illinois klans, has hinted that there are many more klan members in the department. ["The magnitude of the movement here is beyond imagination," he told our reporter.] Heath is hardly a reliable source of information, but his hints make it all the more necessary to get all the facts and disclose them fully.

Finally, an unpleasant fact will have to be faced. This seeming resurgence of the K.K.K. did not start in a vacuum. Extremism on one side is begotten by extremism on the other. The klan is a mirror image of the destructive black racist groups such as the Revolutionary Action movement. Its appeal to violence and race hatred is strengthened by theirs; one form of bigotry grows or diminishes along with the other.

The challenge to be met is not just the klan and its psychotics; it is racist extremism, whichever mask it wears.

The immediate threat, however, is from Heath and his fellow creeps, and the first order of business is to get them out and the department fumigated.

Police Brutality

Civil rights organizations have repeatedly leveled the charge of brutality against policemen engaged in quelling slum uprisings. Everytime that charge is brought up, officials in urban centers and the white press uhesitatingly and loudly rise to their defense.

Despite substantiated evidence in support of that charge, the police somehow are always whitewashed. Now, with the disclosure that scores of Chicago policemen hold membership in the Invisible Empire of the Ku Klux Klan, who can doubt Negroes were the victims of trigger-happy, truncheon wielding klansmen wearing the badge of authority.

Even if the evidence were not available, it would be safe to assume that police officers with KKK affiliation would pattern their behavior in the tradition of violence of the hooded organization. Racial demonstrations and riots provide the sought-for opportunity for Negro-haters on the Police Force to beat up and kill a few Negroes.

The Klan was born during the restless days after the Civil War, when time was out of joint in the South and the social order was battered and turned upside down. The masked Klansmen rode across the land. Where intimidation was not sufficient, violence was used. The KKK was developed as a means to control the newly freed Negro and his Northern friends.

The pattern of violence has not changed since 1865. Though by and large public sentiment is somewhat unresponsive to the Klan's creed, there are many in high places who either belong to it or sympathize with its anti-Negro objectives.

Basically, the racial orientation of the Invisible empire is not too much at variance with the racism of the white power structure. It is this anti-Negro attitude that underlies much of the resistance to civil rights, especially in the field of housing.

There is thus much cleansing to be done. Not only in the Police Department where there are not just six members of the Klan but 50 or more according to a Georgia spokesman for the organization, but also in many other municipal agencies.

The city must remove this blot upon its social conscience if it wants to avoid the tragic experience of Watts and Detroit.

Delousing the force

Earlier this month, the House Committee on Un-American Activities produced an exhaustive, 371-page report on the Ku Klux Klan, whose character it summed up as follows:

"Klans . . . have continued to rely on terrorism as an instrument for achieving so-called 'white supremacy' and other objectives. This terrorism runs the gamut from telephoned threats or intimidatory cross-burnings to various forms of physical violence. Klan involvement in kidnapings and beatings, arson, bombing and outright murder in recent years compels the committee to view the Klan as a vehicle for death, destruction and fear."

That analysis by a federal committee more noted for its anti-Communist activities than for anti-right bias deserves careful reading in our city in light of the disclosure that six Chicago policemen have been relieved of duty because of their klan membership.

It surpasses credibility that Chicago

policemen could construe membership in this hate organization as consistent with their oath to serve their city with all of its heterogenous people.

Whether they were conspirators against the public good or mere dupes, their potential for mischief was enormous. Leaving out of account any activity the six might have engaged in in their Klan roles, their mere membership in the anti-Negro, anti-Jew, anti-Catholic clique of throw-backs damages the whole complex of programs with which Chicago is trying to solve its social problems.

Police Supt. James B. Conlisk handled the ugly situation competently in making public the results of his investigation and preparing charges looking toward the klansmen's dismissal from the force. If, as national Klan leaders leeringly imply, there are still more klansmen hiding on the force, we look to Conlisk to find them, expose them and send them packing.

NATION OF ISLAM, Formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1967, a [redacted] source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam(NoI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

b2
b7D

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the [redacted] source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 2, 1966, a [redacted] source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

Police Klansman Seeks Peace Talk with Muhammad

Policeman Donald Heath, 30, said to be the grand dragon of the Ku Klux Klan in Illinois, wants to discuss with Elijah Muhammad, head of the Black Muslims, what can be done to avoid any kind of racial violence.

If such a conference is arranged, CHICAGO's AMERICAN learned, Comdr. George T. Sims Jr. of the Fillmore police district, and possibly Police Supt. James B. Conlisk Jr., too, would attend.

The klan is an anti-Negro, anti-Jewish hate organization. The Muslims espouse black supremacy.

One of 6 Accused

Heath, one of six Chicago policemen accused of being klan members, said in an interview in his home at 2055 N. Lawndale av. that he went to Capt. Sims' office Tuesday for a six-hour discussion of racism.

It was then that Heath requested the meeting with Muhammed, he said, adding:

"I brought up this question in the belief that by doing so I would be able to stop possible trouble."

"I think possibly he [Mu-

hammad] may be a level-headed person, and I think he speaks for a large percentage of his race and would act in their best behalf.

Avoid Violence

"In general, I want to talk to him to discuss what could be done to prevent any kind of racial violence, for that might lead to the destruction of both races."

Policeman William H. Plogger, 44, an alleged confederate, declined to answer when he appeared for questioning at the internal investigations division headquarters.

Patrolman Ernest B. Semet, 32, denied belonging to the Klan and volunteered to take a lie test. One has not yet been scheduled.

Meanwhile, Sheriff Joseph J. Woods is investigating to determine if any of his deputies or guards at the Cook County jail are associated with racist factions. He said:

"If they are, I will get rid of them immediately. I want no kooks on my staff whether they be to the right or left. They have no place in police work."

Date

[redacted] is one of the officers suspended from the Chicago Police Department for membership in the Klan.

The attached states [redacted] attended a Wallace for President committee meeting 1/7/68, at Chicago, and offered to "touch off the racial violence in Chicago this summer," if such action would assist the Wallace Presidential campaign. This is to bring you up to date on developments in the matter involving members of the Chicago Police Department (CPD) who have been identified as being members of the National Knights of the Ku Klux Klan (NKKKK) in the Chicago, Illinois, area.

BACKGROUND:

On December 21, 1967, our Chicago Office, on a confidential basis, furnished [redacted] and [redacted] of the CPD information developed by a racial informant of the Chicago Office that [redacted] was an [redacted] for the NKKKK. [redacted] and [redacted] at that time advised the Chicago Office that the CPD had an [redacted] in the NKKKK and had learned that several Chicago policemen were members of this Klan group. They requested us to take no action which might jeopardize their investigation in this matter, as they did not desire that the news media learn this information prior to the completion of this investigation. We honored their request.

REC 11 157-168-856

Our Chicago Office subsequently received several anonymous calls, the latest of which occurred on December 27, 1967, which made it obvious that a "leak" of this information to the press could be made at any time. This information was immediately furnished to [redacted] who advised that he would move against the policemen involved immediately. On December 28, 1967, six policemen were confronted and the apartment of [redacted] was searched. The search revealed a substantial quantity of firearms, ammunition, hand grenades, knives, Klan literature, a Klan cross and a confederate flag.

As a result of the action taken by [redacted] and [redacted] resigned. The leader of this group, [redacted] and [redacted] and [redacted]

refused to resign and now face a Chicago Police Department Disciplinary Board Hearing.

At a press and television conference on December 28, 1967, [redacted] indicated that [redacted] police officers were members of the NKKKK at Chicago although he confidentially advised our Chicago Office that ten police officers had been identified as members of this Klan group. He advised that [redacted] ten is the CPD undercover agent and in an effort to protect this source the CPD is proceeding against [redacted] and naming only [redacted] as NKKKK members.

We are following this matter closely and are maintaining close liaison with [redacted] and [redacted] in addition to continuing our own discreet investigation. All pertinent information received thus far has been disseminated to the Department and interested agencies. You will be kept advised of developments as they occur.

APPENDIXUNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The [redacted] source and a [redacted] source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by [redacted] and is the dominant Klan group in the South, with units in several southern states.)

[redacted] source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U.S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

This source advised on May 25, 1966, that the UKA is currently an active organization with Klaverns in several states. This source said that [redacted] is the [redacted] of this organization and was elected to this position on September 5, 1964, at a National Klconvocation in Birmingham, Alabama. Source stated that during April, 1966, the national office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of [redacted] residence, [redacted] which space he had converted into a room.

APPENDIX

NATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago branch of the National States Rights Party(NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office of the NSRP. The Chicago branch of the NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

A [redacted] source advised on [redacted] the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, Chicago branch NSRP vacated premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On [redacted] the [redacted] source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

APPENDIXNATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1967, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt," reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

On 1/8/68, [redacted] Internal Investigation Division (IID), Chicago Police Department (CGPD) furnished information set forth below:

[redacted] requested that information should be afforded utmost security in view of his belief that irreparable harm would be done to the racial situation in Chicago in the event disclosure would be made to the public at this time.

[redacted] advised that in addition to the 6 Chicago policemen that have resigned or been suspended from the Department because of their association with the NKKKK, there are other police officers who are currently being interrogated in view of information furnished suggesting they may be members or in some way associated with the NKKKK. [redacted] stated [redacted] when confronted with allegation indicating his association with the NKKKK submitted his resignation, effective [redacted]. He advised [redacted] had been under investigation in connection with an embezzlement charge but was told by IID officers that unless he resigned his alleged affiliation with the NKKKK would be made public.

[redacted] stated that both he and [redacted] are hopeful that policemen listed below, if affiliated with the NKKKK, would resign without the public being aware of such action. [redacted] stated he and [redacted] feel that any additional exposure of klansmen on the CGPD would create adverse publicity relating to the CGPD and conceivably could serve as a catalyst for the black militants.

Police officers who are under suspicion as members or being associated with the NKKKK are as follows:

b6
b7C

CG 157-895

[redacted] advised that the above individuals' names were located in the residence of [redacted] [redacted] on 12/28/67 when CGPD searched his residence under a search warrant. [redacted] advised the list contained 29 names includin[redacted] police officers who were suspended or resigned on 12/28, 29, and 1/4/68. List, in addition, contain names of [redacted] officers referred to above as well as names of [redacted] other known members of the NKKKK, not police officers.

[redacted] stated that [redacted] listed above, is an [redacted] for IID and it is hoped that his identity with NKKKK can be concealed in order to continue his work as an [redacted] in IID for CGPD. [redacted] advised that both he and [redacted] purposely have not indicated to the public the possibility of additional klansmen in the Department in an effort to protect [redacted]. [redacted] stated that it is hoped that the above named with the exception of [redacted] can be released from the department if it appears that they are members of the NKKKK without jeopardizing [redacted] position in the Department or rendering ineffective his potential as a [redacted] for IID concerning Klan activities.

[redacted] indicated IID is pursuing the investigation of CGPD in an effort to identify all individuals who may be associated with hate-type groups and in this regard [redacted] utility in Klan members is believed to be so valuable that his identity must be concealed even if it should mean maintaining other police officers in the Department who may be members in the NKKKK for a temporary period.

[redacted] stated he as well as [redacted] would appreciate withholding any investigation on the above named individuals at this time that might result in their disclosure,

On 1/12/68, [redacted] advised [redacted] that he had been telephonically contacted by [redacted] House on Un-American Activities (HUAC), Washington, D. C. [redacted] related that [redacted] stated a number of congressmen have publicly expressed their belief that a HUAC hearing should be held at Chicago relative to infiltration of the Chicago PD by members of the Klan or other hate-type groups.

CG 157-895

[redacted] advised that he told [redacted] that both he and [redacted] are of the firm opinion that any HUAC hearing concerning klansmen on the CGPD would cause additional racial tension in the city and could possibly be the direct cause of racial violence in Chicago.

[redacted] expressed his belief that [redacted] shared the same opinion specifically that [redacted] was not in favor of HUAC holding hearings in Chicago at this time concerning alleged members of hate-type groups on the CGPD.

Chicago maintaining liaison with [redacted] and [redacted] in regard to above matters. The Bureau will be promptly advised of any information developed.

Request of the Bureau

The Bureau is requested to check Bureau files concerning individuals set forth above, Chicago indices negative.

ATLANTA

AT ATLANTA, GEORGIA. Will check indices for information relating to above individuals. As noted utmost discretion must be afforded.

CHICAGO

AT CHICAGO, ILLINOIS. Will follow closely and take appropriate action. Although cases will be opened on above officers no investigation will be conducted which would jeopardize CGPD's source or identify CGPD officers who are currently suspected of being members of the NKKKK.

Re Atlanta letter and letterhead memorandum dated
1/10/68.

It is noted that according to referenced letterhead memorandum the initial issue of the "Imperial Nighthawk" newspaper in an article regarding "Klan news" includes the statement that [redacted] in Kentucky" has built a wonderful organization which is growing by leaps and bounds. In this connection it is believed the reference to [redacted] is to [redacted] subject of Bureau file 157-3166. Non-prosecutive summary reports have been submitted to the Bureau regarding [redacted] and as noted in Louisville letter of 11/29/67 the investigation regarding him has been placed in a closed status because there is no information he is currently active in Klan matters, and Cincinnati informant reported he appears to be mentally unbalanced.

In addition, Louisville Division possesses no information that the captioned organization is organized and active in the State of Kentucky.

In view of the above, Louisville contemplates no further action regarding instant matter.

RE: NATIONAL KNIGHTS OF THE
KU KLUX KLAN (NKKKK)

On page two of the Three Star Final, "Chicago Tribune" newspaper published at Chicago, Illinois, on January 18, 1968, is an article containing the following information:

Venable, Imperial Wizard, NKKKK, Tucker, Georgia.

The article indicated Heath, in an interview, confirmed his appointment and his presence at the Tucker, Georgia meeting with Venable recently. Heath indicated William Plogger of 2340 North Lawndale Avenue, Chicago, Illinois, will serve as King Kleagle (Vice-President) in Illinois. Heath further stated he is considering leaving Chicago, a move that would necessitate his quitting his job with the Chicago Police Department.

Dear Mr. Hoover:

I am writing you for two purposes. The first one is to settle a 'drug store' argument .

We both know that [redacted] United Klans of America have broken the law. We also know that [redacted] of The Mississippi White Knights of the Ku Klux Klan has broken the laws of our country. Now, Has James R. Venable, attorney at law who heads the National Knights of the Ku Klux Klan ever broken any law at all???? I would deeply appreciate a speedy reply on this matter at once.

b6

Now, the second purpose is this: When you retire can we, the American people expect a good as director as you? Are you training a man, or some men to take your place, and are as hard working and dedicated as you are???? We would like that answered also.

God bless you,

[redacted] on [redacted] reported that [redacted]
who is known to source as an active Klansman and member of Klavern #6, Cleveland, Ohio, had on July 18, 1967, informed him that it looked like the NKKKK was finished in Cleveland, and that the Exalted Cyclops of NKKKK Klavern #6, Cleveland, Ohio, was marrying a girl from Georgia and leaving Cleveland.

[redacted] on [redacted] informed that NKKKK Klavern #6, was officially disbanded on August 7, 1967, when NKKKK Klavern #6, [redacted] turned over to NKKKK Klavern #6 [redacted] the balance of the funds in the treasury of Klavern #6, which amounted to \$83.00. The funds were used to cover the past debts of the Klavern in order to clear the books on the dissolution of the Klavern.

[redacted] related that the collapse of Klavern #6 in the Greater Cleveland area can be directly attributed to the lack of interest in the Klan movement in the area.

[redacted] continued that [redacted]
had attempted to keep the Klavern going but failed. [redacted]
[redacted] left Cleveland during August, 1967, to live in the Atlanta, Georgia, area, where he married a local girl and is expected to continue his Klan activities.

[redacted] also noted that [redacted] actually had little interest in the Klan movement inasmuch as he had been attempting to start a Cleveland chapter of another national extremist right-wing organization a long time prior to the failure of Klavern #6.

[redacted] on [redacted] related that [redacted]
the [redacted] of Klavern #6, Cleveland, Ohio, on November 4, 1967, informed that NKKKK Klavern #6 is "out of business" and that the last [redacted] of the Klavern, [redacted] had taken the funds of Klavern #6 from the Klavern's Klabee [redacted] in order to pay off the financial obligations of the Klavern.

[redacted] further advised that there has been no Klan activity in the Cleveland area for almost a year, and that he knows of no planned Klan activity in the future.

[redacted] on [redacted] informed that during the last week of [redacted]

[redacted] noted that he has never been a member of the Klan although he is strongly identified with the extremist right-wing movement. [redacted]

[redacted] on [redacted] furnished the initial issue of the "Imperial Nighthawk" newspaper published by the NKKKK at Stone Mountain, Georgia.

In an article appearing in the "Imperial Nighthawk" entitled, "Klan News", information was published concerning Klan activities in various states throughout the United States. In this connection the article in part stated that they were congratulating [redacted] and [redacted] from the Northern Ohio area, as well as other Klansmen from the Southern Ohio area, for their splendid work in rebuilding the State of Ohio this past year.

[redacted] on [redacted] identified [redacted] as one of the leaders of the NKKKK movement in the Northern Ohio area when the NKKKK was active.

[redacted] on [redacted] related that [redacted] of the UKA, Akron, Ohio, Klavern, on September 24, 1967, advised that he was in the process of organizing a local group of Klansmen to affiliate with the JAMES R. VENABLE Klan organization. He referred to VENABLE's group as the "Invisible Empire", Original Knights of the Ku Klux Klan, although source believed that this organization is actually the NKKKK, inasmuch as JAMES R. VENABLE is the Imperial Wizard of the NKKKK.

[redacted] advised that [redacted] indicated he had about ten Klansmen from the Akron, Ohio, Klavern of the UKA, who would join him.

[redacted] on [redacted] recapitulated a summary of information concerning possible activities of the NKKKK in the Akron, Ohio, area at the present time, which is set forth as follows:

"During April, 1967, [redacted] the [redacted] of the Akron Klavern, United Klans of America, Inc. (UKA), dropped out of the UKA following numerous lengthy disputes with [redacted] of the UKA Akron Klavern.

[redacted] y special invitation, held two meetings at his home of Akron Klavern UKA members he felt he could trust, about ten in number. He convinced these members to withdraw from the UKA and join with him in becoming members of the 'reactivated original Klan - to be known as the Invisible Empire, Knights of the Ku Klux Klan.' This group, [redacted] told them, would be made up of splinter Klan units from all over the country, and would operate

"under the national leadership of JAMES VENABLE, Imperial Wizard of the NKKKK. At the two April meetings, [redacted] informed his Ex-UKA members that he hoped to hold regular meetings, rallies, etc. in the near future.

[redacted] "By late-September, 1967, it was learned from [redacted] that he had been unable to schedule any rallies in the area, but that he had visited down South on Klan business and had talked to VENABLE. [redacted] indicated he continued to have about ten followers locally, but that nothing was being accomplished. [redacted] spoke in a very religious vein and indicated that one of the national leaders of the NKKKK was a [redacted] an ordained minister of St. Petersburg, Florida. [redacted] too, hoped to be ordained a minister.

"It is believed from [redacted] line of talk that he is becoming so religious he probably will soon lose his Klan followers. They are just not the type individuals to put up with [redacted] religious ranting and raving for ver^{b6}
[redacted] long.^{b7C}

"From recent contact with [redacted] it appears he has gone over-board on the religious kick. He sits in his home and plays tapes of recorded religious messages, reportedly made by one Rev. SWIFT of California, which are pro-segregation and anti-Semitic in nature. [redacted] would like to travel to California to confer with Rev. SWIFT, whose records indicate he is convinced the Klan is the only group that can save the country from ultimate domination by the Communists. [redacted] gives no indication there is a Klavern of the NKKKK currently active in the Akron, Ohio, area, although he promises the Klan's influence will be felt in the next presidential election. [redacted] talks of plans to hold a gigantic Klan rally, possibly at Soldier's Field in Chicago, Illinois, where 150,000 persons could attend, but he knows of no way to organize such a rally.

"It remains to be seen whether [redacted] will be able to retain his following of Ex-UKA members, or whether some, if not all, will drift back to the UKA, or out of the Klan altogether."
